Daily Life Hints

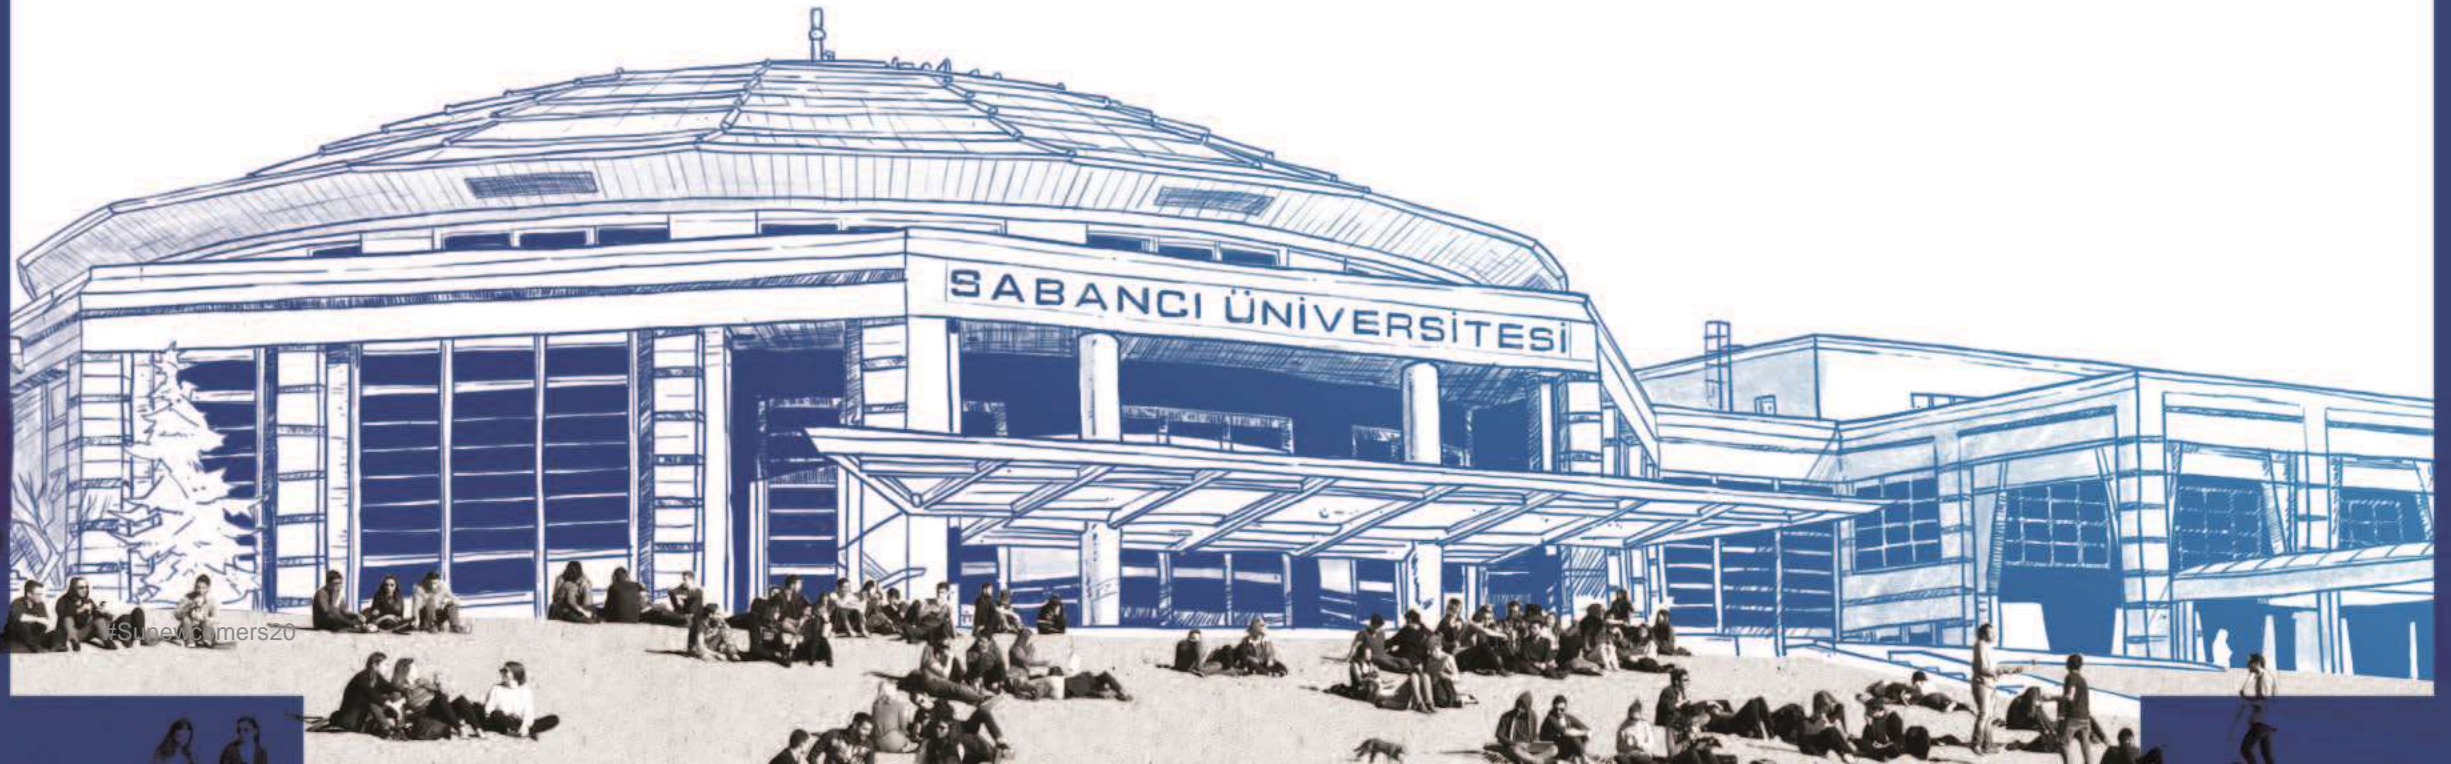

- ▶ Traffic jams might occur between 8-9 am and 5-7 pm.
- ▶ Main streets are safer. Similar to many big cities, side streets might not be as safe.
- ▶ When you see a protesting group, we don't recommend you to join them.
- ▶ Please consider using taxi applications rather than taking a random taxi in the Street (Bitaksi).
- ▶ Bargaining mostly works when you are shopping in touristic areas.
- ▶ Always be reachable. Make sure that your family and IRO can reach you whenever they need to.
- ▶ Reach out to your **buddies** who are already assigned to you.
- ▶ HES code is mandatory on all domestic travels.
